Dear madraková Zdenka

I send to both of you

many greetings and thanks from Uganda
and I hope everything is going well in
your country.

For me am fine and my studies
are going on well and here at
school we are busy preparing for
doing our Primary Leaving Exams (the
P7 Final Exam) and am reading hard
my books because I want to pass these
Exams in a good grade and join the
Secondary Level of Education.

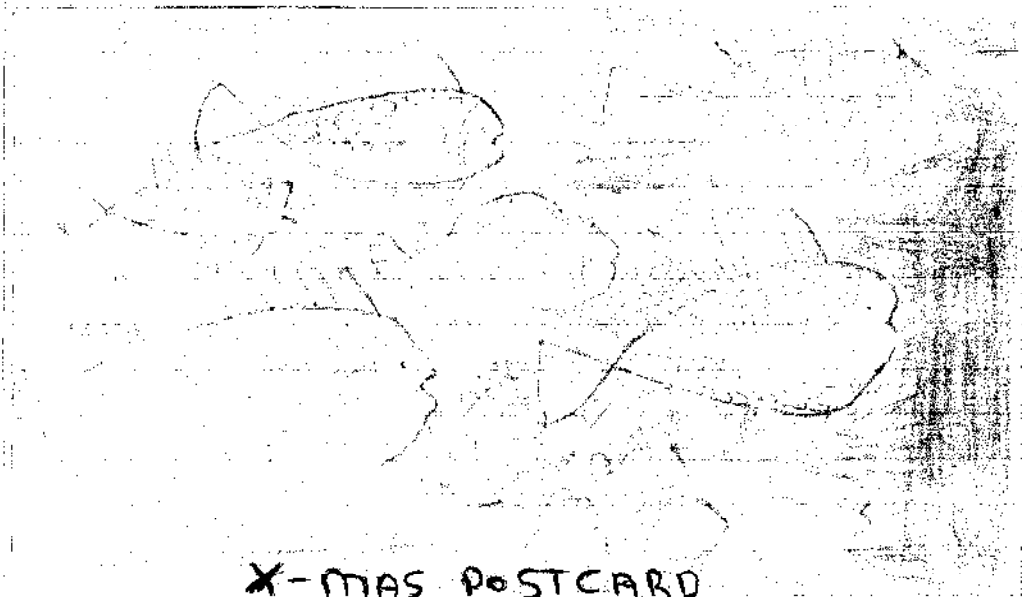

Here at home we have been all
fine but at beginning of this month
of September mother stepped on the bone of
fish and it speared her foot and it
became swollen and now she will salt in
her water and she treats that part
where the bone it speared and pus comes
out but nowadays is recovering because
she can manage to step down with her
foot the bone it speared.

Lovely Zdenka, our pregnant
goat it produced two kids female and
female and they look very
healthy

In our village it is now raining
weather and we are getting too much
rain.

Lovely Zdenka I like both of
you and I wish you a merry
Christmas and happy New Year 2012

Your adoptive friend
Naisanzi Isima
