

Dear Friend

I send my greetings to both of you and how are nowadays in your country.

For me am okey and my studies are going on well and here at school we are now doing our end of first term Exams and Easter celebration will find us when we have finished our Exams and after Exams we shall get end of first term holiday.

Lovely friend am happy to inform you that in this year in late November 2014 I will be completing my course study and right now am busy with my studies because I want to get a good class of certificate.

Here at school this month of April we got visitors from your country and they came and toured all the buildings in our school and the Bishop from your country waved for us.

Lovely friend, In our country people are busy preparing for celebration and clothes for children and for the women.

I end this letter by wishing to both of you a nice 2014 Easter celebration.

Your beloved friend
